“Tanadgoma” Gender Policy

*Tbilisi
2009*

- ✓ “Tanadgoma” realizes that gender equality is one of the main characteristics of a righteous and harmonious society and essential constituent of democracy.
- ✓ “Tanadgoma“ wishes to contribute to the gender equality in the field of its activity.
- ✓ While planning its activities “Tanadgoma” will take into consideration principles established in international documents regarding gender equality and will try to comply in its activities to the National Gender Policy.
- ✓ “Tanadgoma” will always take into consideration gender differences in its work, namely, in the reasons and results of the diseases such as HIV/AIDS, Sexually Transmitted Infections and other problems connected to the Reproductive Health.
- ✓ “Tanadgoma” contributes to realization of Sexual and Reproductive Health Education guarantee and increasing possibilities of personal choices in this field both for men and women.
- ✓ “Tanadgoma” will undertake efforts to extirpate gender violence and to empower vulnerable target groups (street-based sex workers, homosexuals, prison inmates) against violence.
- ✓ “Tanadgoma” will constantly promote development of organization’s capacities in the direction of gender expertise, because it believes that implementing gender analysis is a base for revealing, studying and decreasing gender inequality.
- ✓ “Tanadgoma” believes, that collection of gender-segregated data, revealing specific needs of different genders and elaborating corresponding approaches in the frames of programs and projects is one of the indicators of quality work of organization.
